

MATLAB

Creating a MathWorks account

Note: If you already have a MathWorks account in the format of your studentID@uhi.ac.uk you can log into your account and go to the next step.

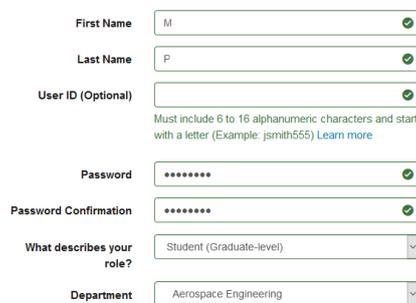

- Go to <https://uk.mathworks.com/mwaccount/register>

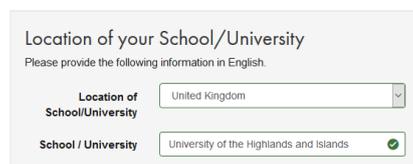

The screenshot shows the 'MathWorks Account' registration page. It features a blue header with the MathWorks logo and the text 'MathWorks Account' and 'Create MathWorks Account'. Below the header are several form fields: 'Email Address' with a text input and a note about using work or university email; 'Location' with a dropdown menu set to 'United Kingdom'; 'How will you use MathWorks software?' with a dropdown menu set to 'Select one...'; and 'Are you at least 13 years or older?' with radio buttons for 'Yes' and 'No'. At the bottom of the form are 'Cancel' and 'Create' buttons.

- Use your student email address to register
- Select 'Student Use' in the 'How will you use MathWorks software?' field
- Confirm you are over 13 and click on 'Create'
- You will be sent an email from service@mathworks.com to verify your account
- The link in the email will take you to a page to complete your personal details.

To finish creating your profile, provide the following information for @uhi.ac.uk

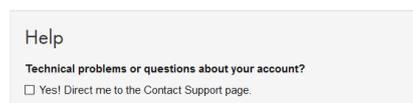

The screenshot shows the profile completion form. It includes fields for 'First Name' (M), 'Last Name' (P), 'User ID (Optional)' (with a note: 'Must include 6 to 16 alphanumeric characters and start with a letter (Example: jsmith555) Learn more'), 'Password', 'Password Confirmation', 'What describes your role?' (Student (Graduate-level)), and 'Department' (Aerospace Engineering). Each field has a green checkmark indicating it is valid.

The screenshot shows the 'Location of your School/University' form. It asks for the location in English. The 'Location of School/University' dropdown is set to 'United Kingdom' and the 'School / University' text input is 'University of the Highlands and Islands' with a green checkmark.

i Based on your email address, you will be added to a MATLAB License belonging to your university.

The screenshot shows the 'Help' section. It asks 'Technical problems or questions about your account?' and has a checkbox for 'Yes! Direct me to the Contact Support page.' which is currently unchecked.

See our [privacy policy](#) for details.

- Click 'Create'

Installing application

Once you have created an account you should install the application.

Note: contact the Servicedesk if you require the license.

Telephone: 01463 279150

Email: servicedesk@uhi.ac.uk

Live Chat: <https://uhi.bomgarcloud.com/>

- When you login to MatLabs online you should see the option for your license, click on the install button to install the application

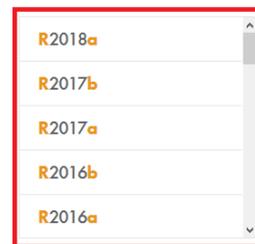

My Software

License	Label	Option	Use			
866098	Individual	Total Headcount	Academic			

- Download the appropriate version for the system you are using.

Download R2018b

Download earlier release

R2018b
Released: 2018-09-12
[System Requirements](#)

Note: You may wish to check the system requirements for your machine when selecting the version.

Download R2018b

Download and run the Installer

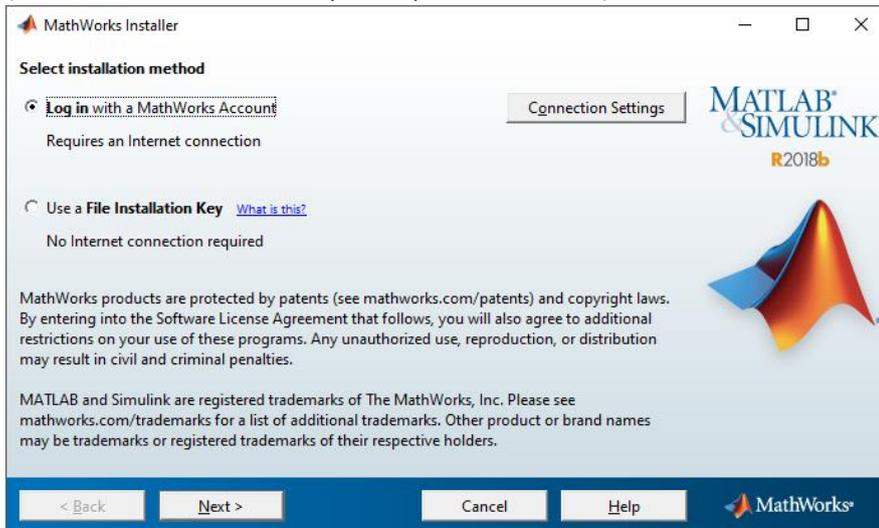

- When prompted, sign in as
- Select your license
- Choose the products, toolboxes, and blocksets that you want to install

Windows (64-bit)

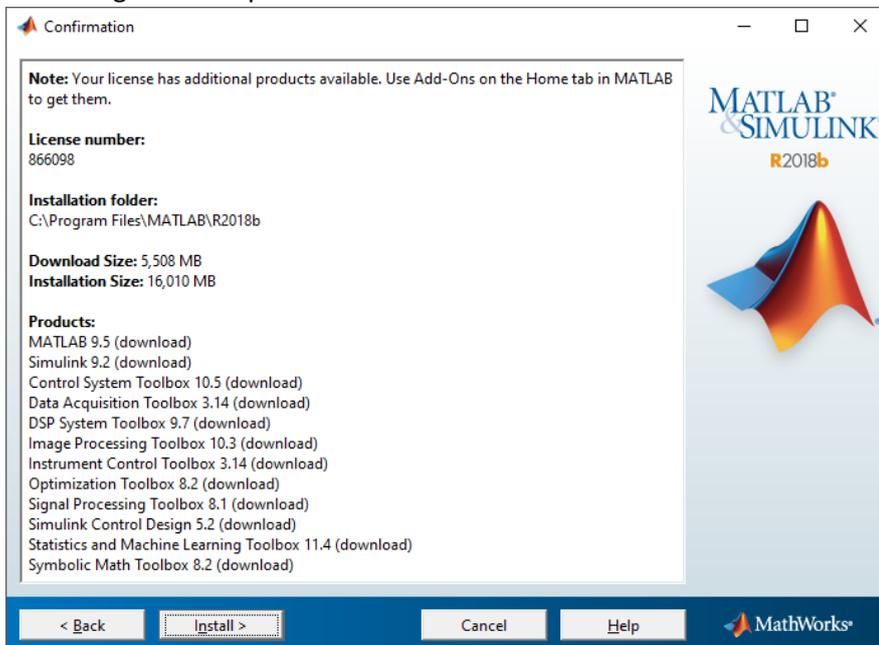

macOS (64-bit)

Linux (64-bit)

- Open the installed application and select from Login or manually adding a license key (contact the Servicedesk if you require the license)

- Go through the setup and select 'Install'

- Complete the activation and you are finished
