

Download And Install Office

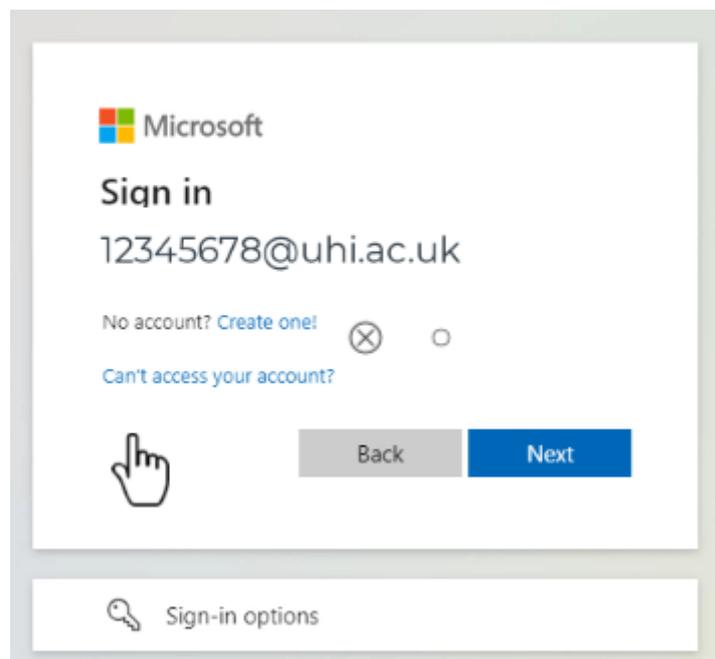

To Download Office, You will need:

- Your UHI email address, Student ID
- Your UHI email address password.

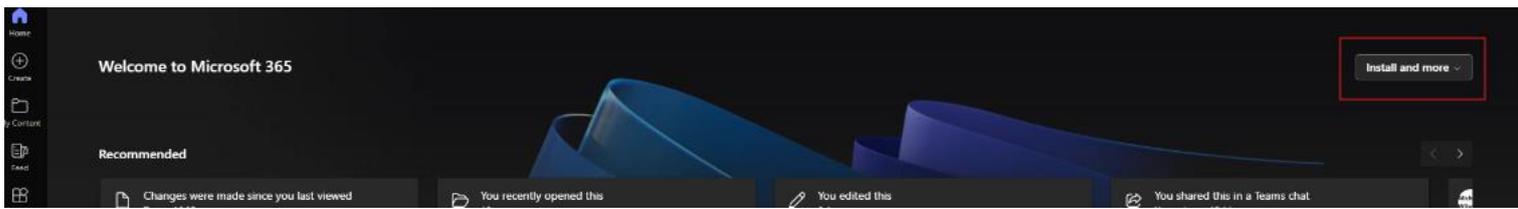

1. Go To [Office.com](https://office.com)

2. Log In using your Student credentials.

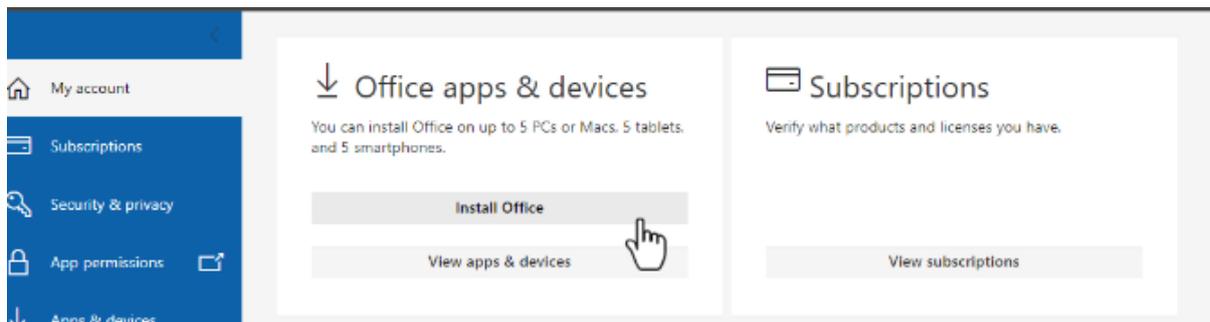

3. Select "Install & More On the right side

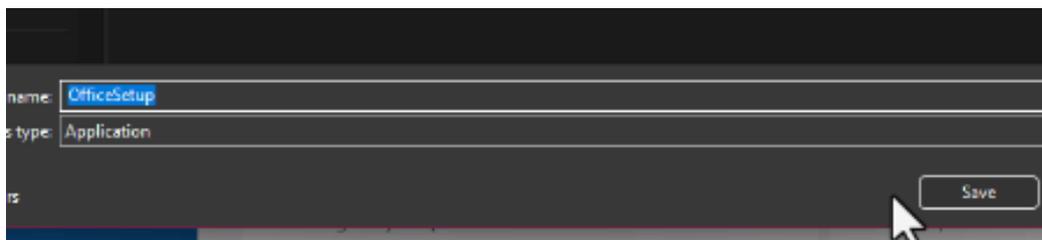

4. Click "Install Microsoft 365 apps"

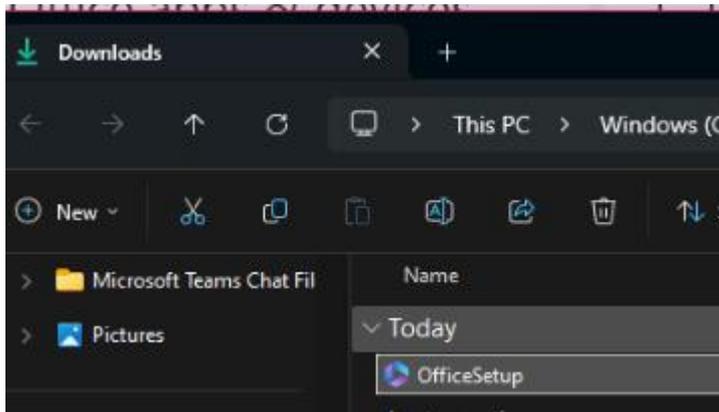

5. Select "Install Office"

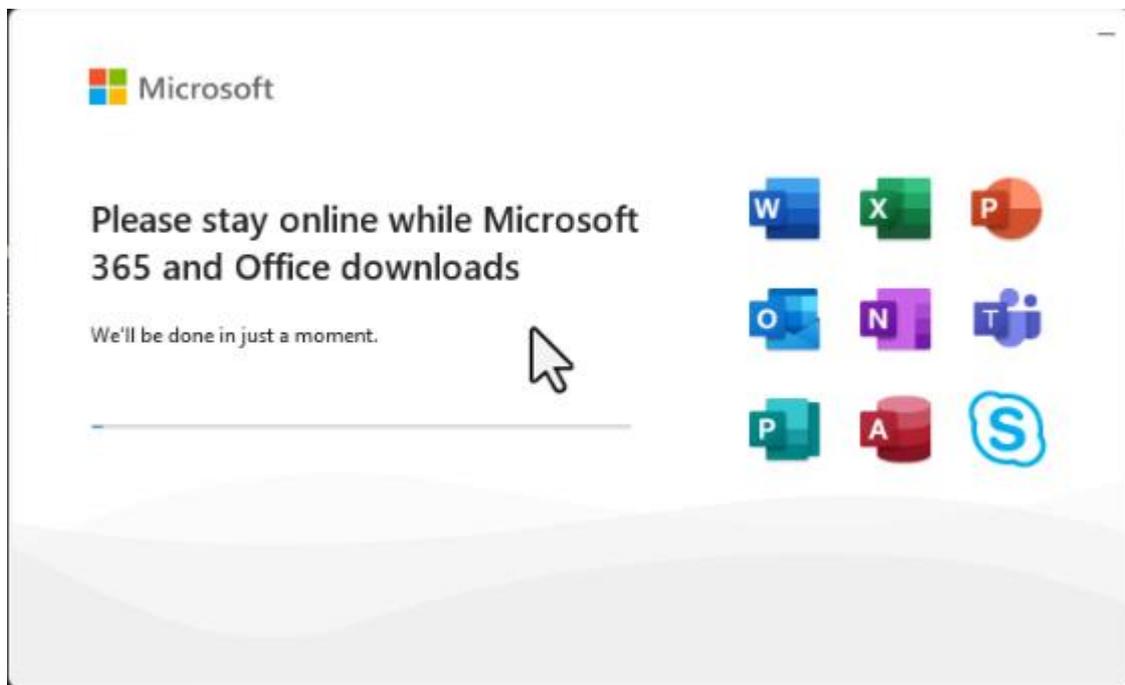

6. Select "Save"

7. Open your downloads folder and open OfficeSetup

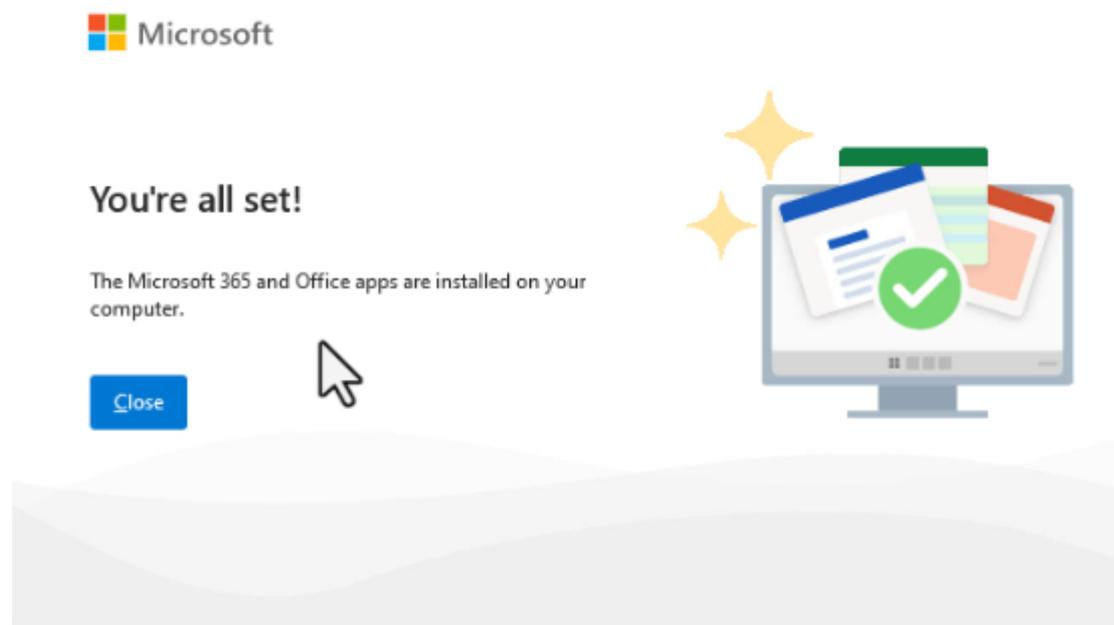

8. Office will begin installing

9. Wait for the installation process. This can take a few minutes.

10. Once completed, you should see the below screenshot. Press close and Office programs should now be accessible on your computer.

You may need to restart your device for the installation to complete.
